RMS SYTEMS INC. (TSX-V: RMS) announces as follows:

Calgary, Alberta, January 4, 2010: RMS Systems Inc. ("RMS") announces that Robert (Bob) Webb has, effective immediately, ceased to be the Chief Executive Officer and President of RMS and its subsidiaries.

RMS has appointed its current Chairman of the Board of Directors, David Hall as the Chief Executive Officer and President of RMS. Mr. Hall will commence his employment immediately. Mr. Hall was appointed as a director of Tiger-Cat Energy Ltd. in November, 2005. He was also a founder of C-Data Communications Inc. Upon the amalgamation of Tiger-Cat and C-Data to form RMS, Mr. Hall continued as a director. Mr. Hall was most recently a Director and President of Marble Point Energy Ltd. (a private oil and gas exploration and production company). He previously was President and a Director of Argo Energy Ltd. (TSX: AAE, now party of Daylight energy Trust (TSX: DAY.UN)). He is currently a director of Aqueous Capital Corp. (TSX-V: AQS.P) and also serves as a director and officer of other private companies. Mr. Hall is 47 years old and received a Bachelor of Science (Petroleum Engineering) degree from the University of Alberta in 1985.

David Hall stated "I look forward to continuing to grow RMS and to pursue its growth in the oil and gas service sector. I am particularly excited with the "RigManager" product and believe that it is a superior product in the industry. I look forward to the opportunity to increase the RMS market share through providing our customers with the best possible products and service."

In addition, RMS announces that effective December 31, 2009 RMS has amalgamated with BARB Projects Ltd. and Quatros Communications Ltd. both BARB and Quatros were wholly owned subsidiaries of RMS.

RMS manufactures and supplies drilling rig monitoring and communications equipment to the oil and gas industry.

The TSX Venture Exchange has in no way passed upon the merits of the proposed transaction and has neither approved nor disapproved the contents of this press release.
